

Mission Statement

This statement outlines the services that children, parents / carers and the community can expect from Jimmy Grimboll's and the values that inform our work.

At Jimmy Grimboll's we will be adhering to current national government guidelines and policies such as the 21st Century Schools guidelines which states schools must 'provide a range of activities and opportunities to enrich the lives of children, families and the wider community'.

We pay particular attention to relevant health and fitness policies with an emphasis on the National Healthy Schools standards programme as is and the Healthy Schools Enhancement Model which will be launched over the coming year.

At the forefront of our planning and delivery will be a number of the School Health Quality Standards from the Enhancement Model: Healthy Eating, Physical Activities, Emotional Health and Wellbeing, PSHE Education and Citizenship, and finally Partnerships with Families and the Local Community.
